What makes a great sports betting app

Here's what we look for in a mobile betting app:User experience

A beautifully-crafted sports betting app must also deliver what bettors crave mo

st: all of the features they would expect to enjoy when wagering at a retail spo

rtsbook or on a sportsbook's website.

The best sports betting apps should mirror and improve upon the features users enjoy when confirming their picks elsewhere.

A sportsbook app should offer a broad selection of sports and bet types while ma

king it easy for its users to locate, preview, and submit their bets.

The top mobile sports betting apps give their users the option to choose from a
