On the other hand, football fans can enjoy a whole range of opportunities. ForteBet is among the few Ugandan bookmakers that offer a deposit bonus.

With this offer you can receive up to 1,000,000 UGX bonus!

The deposit bonus is equal to the deposit you make, but not more than the limit of one million.

For example, if you deposited 10,000 UGXs, you must first accumulate 100,000 UGX in bets and then you will be entitled to get the full amount of the bonus.

Returning to the example above, if you deposited 10,000 UGX and made bets for 10,000 UGX, you will receive 10% of your bonus or 1,000 UGX.

ForteBet allows placing bets from mobile devices, but your phone will load the PC version of the website. ForteBet has neither a mobile version nor an application.

Let's hope that the bookmaker will keep up with the technology and make mobile bets more accessible.

The fact that you can't spend more than what you have on your debit like with a credit card may be a downside for some players, but in general it is considered

an advantage for people that can't control themselves at moments.

EcoPayz is one of the more popular services for secure online payments and international money transfers, especially in the online casino world where you can see

it offered as an option at many websites.

You don't need a bank account to have ecoAccount.

It acts as your virtual wallet that you can use for online purchasing such as depositing at online casinos.

Payments are possible in different currencies.

You will feel overwhelmed with all the options that WebMoney allows you as part of the service. EntroPay

EntroPay is great because there are no monthly, annual or hidden costs, it's accepted everywhere where Visa is, there is no minimum withdrawal limit, and you

never have to expose your financial details to online vendors. Skrill

But considering some online casinos don't allow withdrawals to debit cards,

some of the proposed alternatives here can do you a great favour when you can't

use your debit card to get your winnings.
