Tie hands are a push

There are 8 decks of cards (52 cards per deck) with the following card values:

cards 2-10 assume their nominal value, while Jack, Queen, and King, are valued at 10.

The live dealer gives every player in turn ample time to place bets.

If the dealer has blackjack, and you don't have blackjack, then the dealer wins.

Double Down when you Double Down, you double the size of your bets and take just one more card.

The same rule applies to any hand value greater than 17.

Blackjack side bets are optional bets.

NCAAF Betting Begins to Garner Mainstream Attention

Easily filter between betting markets to get data for only what you care about.

NFL Future Odds

This is the place to go for some picking inspiration.

NCAAF Public Betting

Because the spread makers are so good at what they do, their lines are usually pretty spot on, making it difficult as a bettor to pick correctly.

Best NFL Sportsbooks

We've also partnered with many of these sportsbooks to provide new users with some of the best activation codes in the industry!
