This guide will tell you about the most common eBay scams, what to look for, and how to protect yourself. Some are targeted at buyers, others at sellers. If you

have been scammed, we'll show you the steps you can take to report it.

An eBay money-back guarantee protects buyers from fraudulent sellers, save for some exclusions. The following is a list of items that are not covered, which means

the seller can accept payment, fail to send the item, and then you as the buyer

have no recourse through the eBay website. Be cautious when purchasing items

from the following list:
